

Technical Assistance Contacts

We understand that going virtual may cause some bumps in the road. We have a team of people who are ready to support you to ensure you can access the full conference. Check out the list below to see who the best would be to contact for your issue. We look forward to seeing you in the virtual world!

Payment Issues

Conference Chat Room (DISCORD)

The APRIL Conference is using a weeklong chat platform. Our mission with this was to continue the great networking and relationship building that happens naturally at APRIL into the virtual world. If you need help learning how to navigate this and understanding how it works, or more.

Mels Felton
