2023

Statistics

RGV'S Population is 1,404,225

And of that number 1/3 of the RGV's population, (463,394) lives below the federal poverty.

87.6%

of RGV students graduate high school without a license

While school districts provide vocational training, roughly **1 in 10** teens have their driver's permit by the time they graduate.

Region One has partnered with Driving Quest to provide school district and high schools with a state-approved platform to disburse Online Drivers Education Courses.

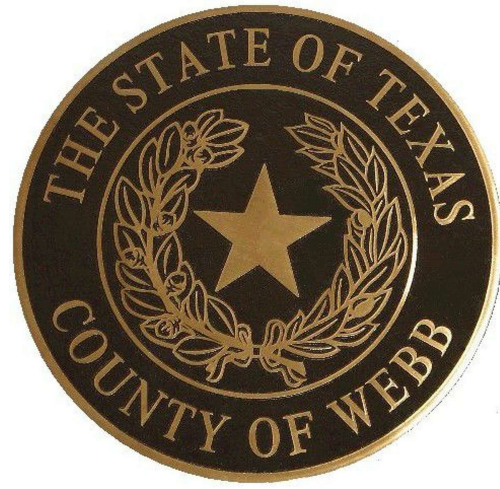

Vanessa Vera
